### **DETAILED ACTION**

The information disclosure statements (IDS) submitted on January 14, 2010 and January 26, 2011 have been considered by the examiner. On page 2 of each IDS, however, reference numbers 27-32 have not been considered because the cited references do not list a date. In addition, reference numbers 37-39 of the IDS submitted January 26, 2011 were also not considered due to the lack of date. However, these same references were considered in the supplemental IDS submitted January 26, 2011 since a date was present.

This application is in condition for allowance except for the following formal matters:

Instant claims 23 and 53 depend on cancelled claims.

Prosecution on the merits is closed in accordance with the practice under Ex parte Quayle, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
